

National Highways is planning to provide an upgrade to the existing A46 Walsgrave junction to the east of Coventry. These plans would involve:

- a grade separated junction approximately 0.8km to the north of the existing roundabout location.
- re-alignment of the dual carriageway through the existing junction.
- a single lane carriageway connecting the new junction to the B4082.
- environmental mitigation.
- diversion of utilities.

Any necessary rights and powers will be sought to ensure delivery of the scheme, including permanent and temporary compulsory acquisition.

We intend to make an application to the Planning Inspectorate under section 37 of The Planning Act 2008 for a Development Consent Order to authorise construction of the scheme.

Before making our application we must produce a document called the Statement of Community Consultation setting out how we will consult the local community about our proposals. We must also make this statement available for inspection by the public and publish this notice stating where and when the statement can be inspected. We must then carry out consultation in accordance with the statement.

This notice contains a summary of the consultation details. However, full details of the consultation can be found in the Statement of Community Consultation. This can be viewed along with our consultation materials, online at <https://nationalhighways.co.uk/A46Coventry> or at the following deposit locations from the start of our consultation period on **25 October 2023** to the closing date on **6 December 2023**. Please note: Consultation materials will be available from the start of the consultation date on the website and deposit locations, as detailed, and not in advance.

Printed copies of other consultation materials (not consultation brochure or response form) can be supplied on request, but there may be a charge of up to £500 to cover the cost of printing and postage.

Deposit Locations		
Location	Opening hours	
	Day	Time
Caludon Castle School and Community Library, Axholme Road, Wyken, Coventry, CV2 5BD	Monday Tuesday Wednesday Thursday Friday Saturday Sunday	2pm – 6pm 2pm – 6pm Closed 2pm – 6pm 2pm – 6pm 10am – 4pm Closed

You can also view our consultation materials at our consultation events where you can speak with the project team and share your views.

We will hold a series of Public Consultation Events at the venues set out below. At each event it will be possible to speak with members of the project team, inspect consultation materials, and learn more about our proposals.

Public Consultation Events

Wyken Community Centre

Ennerdale Lane, Coventry, CV2 5PY
Saturday 4 November
10am – 2pm

Warwickshire Shopping Park Community Centre

1c Kynner Way, Binley, Coventry, CV3 2SB
Friday 17 November
2pm – 8pm

Brinklow Community Hall

43 Broad St, Brinklow, Rugby CV23 0LS
Thursday 30 November
2pm – 8pm

In addition to these events, we are also planning to hold additional pop-up events, making use of the National Highways engagement van. The dates and times of these events will be published on the scheme webpage: <https://nationalhighways.co.uk/A46Coventry>.

We will hold an online webinar where we will present information about the scheme and the statutory consultation as well as a live question and answer session. Information about this event will be publicised on the scheme webpage.

The scheme is an Environmental Impact Assessment development, which means a Preliminary Environmental Information Report (PEIR) has been produced (to describe the environmental effects of the scheme) and is being consulted on alongside the other consultation documents. It also means that an Environmental Statement will be produced and submitted with the application in due course.
