

**WARWICKSHIRE COUNTY COUNCIL
ROAD TRAFFIC REGULATION ACT 1984,
SECTION 14
TEMPORARY CLOSURE OF STOCKTON
ROAD, LONG ITCHINGTON**

Warwickshire County Council proposes to make a Temporary Traffic Order closing Stockton Road, Long Itchington from the bridge next to The Blue Lias Inn to the Barratt Homes development site, to vehicular traffic. The closure is required as there will be insufficient room in the carriageway to allow safe passage of vehicular traffic whilst footway construction works are in progress.

The Order will commence on 31 July 2017 and will last for a period of 18 months, or until the works are completed, whichever is the earlier. However, it is anticipated that the works will be completed by 6 August 2017.

Pedestrian access to and egress from properties and land situated adjacent to the length of road to be closed, if any, will be maintained at all times. Vehicular access will be maintained where possible.

An alternative route will be signed and is available via: Stockton Road, Southam Road, Coventry Road (and vice versa).

The Council regrets any inconvenience that may be caused. The team dealing with this Temporary Traffic Order at Warwickshire County Council is Network Management (Tel: 01926 412515).

Any enquiries relating to the works being undertaken may be directed to Nick Matthews, Warwickshire County Council Design Services (Tel: 01926 412 130).
