

COMMUNITY CONSULTATION ON 400 HOMES ON LONG MARSTON AIRFIELD HAVE YOUR SAY

Following planning approval for 400 homes on part of Long Marston Airfield earlier this year, CALA Homes is now submitting detailed design proposals for the new homes.

CALA is keen to get your thoughts and feedback on the plans, before the submission is made to Stratford-on-Avon District Council, and is inviting local residents to attend a community consultation event.

The event will take place on:

**Thursday 7th September 2017, 1.00pm-6.00pm,
Long Marston Village Hall, West Gate,
Welford Road, Long Marston, CV37 8RH.**
