Site: Oak Tree Barn, 1 Shurnock Barns, The Saltway, Feckenham, Redditch, Worcestershire, B96 6JT

Proposal: We are proposing the replacement of two existing timber framed windows at 1 Shurnock Barns. We are proposing to replace them with like for like timber frames as the existing frames are now rotten and damaged.

They will have the same specifications and finish both internally and externally to match not only this property, but the same as all other dwellings in Shurnock Barns. Therefore there can be no impact on the curtilage surrounding that of Shurnock Court. The proposed replacements will have no structural impact on the building or affect the existing line of the property.
