Application for a variation of an environmental permit under the Environmental Permitting (England and Wales) Regulations 2016

We've received an application for a variation involving substantial change to a permit from Welland Waste Management Limited.

Permit number: EPR/DB3102GV/V003

Regulated facility type: A22: Composting Facility

Regulated facility location: Pebble Hall, Theddingworth, Lutterworth, Leicestershire, LE17 6NJ

The application contains a description of how the proposed changes may affect: the installation; the materials, substances and energy it will use and generate; the conditions of its site; the source, nature and quantity of its foreseeable emissions and their significant effects on the environment; the proposed techniques for preventing, reducing, and monitoring its emissions and preventing and recovering waste; and an outline of the main alternatives, if any, considered.

This information is held in a register at the following location: The Environment Agency, Waterside House, Waterside North, Lincoln, LN2 5HA.

You can look at our register 9.30am-4.30pm, Monday to Friday. Please phone the National Customer Contact Centre on 03708 506 506 to arrange an appointment. You may get a copy of documents on the register. We may charge to cover copying costs.
