

Rugby Borough Council

The Town and Country Planning (Local Planning) (England) Regulations 2012

Notice of publication of draft South West Rugby Supplementary Planning Document (SPD) 2019

Public Consultation: 17th October – 29th November 2019

Rugby Borough Council is consulting on a planning document to support the Local Plan 2019.

Comments are being sought on the draft South West Rugby Masterplan Supplementary Planning Document (SPD), which relates to the site allocation for residential, employment and other non-residential development included in the borough's Local Plan.

The purpose of the SPD, once adopted, is to provide guidance for how this development is going to be carried out. It includes information such as an indicative layout, site details, infrastructure requirements and design considerations.

The draft SPD complements the Local Plan and is intended to be used by planners and applicants/agents/investors/developers in conjunction with the policies of the Local Plan. The SPD will be a material consideration in the determination of future planning applications for the site.

Copies of the South West Rugby SPD, supporting documents and the online consultation form are available at: www.rugby.gov.uk/swrugby

All documents can also be viewed at:

- Rugby Borough Council Town Hall Reception, Monday to Friday, 9am to 5pm
