## **Proposal to seek permission from the Secretary of State to dispose of educational playing field land (Section 77): Valley Primary School, Fallowfield Road site, B92 9HQ**

**Ends Monday 14th December 2020**

Solihull Council is preparing an application to the Secretary of State to consent to the disposal of Valley Primary School land at Fallowfield Road. Currently Valley Primary operates from two sites and the aspiration is to consolidate the whole school onto the Old Lode Lane site. This will render the Fallowfield Road site surplus.

We are consulting all interested parties on this proposed disposal and are keen to receive your comments.

Should approval be given, Solihull Council is proposing to market the land for residential development. This will be subject to planning permission and all other relevant approvals. All proceeds from the disposal of this site will be reinvested in the expansion and improvement of Valley Primary School at Old Lode Lane.

The consultation starts on 2nd November and will run for 6 weeks, closing on 14th December 2020.

All comments received will be forwarded to The Secretary of State who will make a decision on the disposal of the fields.
