Notice of Publication of the Wellesbourne University Innovation Campus Framework Masterplan

Supplementary Planning Document

Notice is given that Stratford-on-Avon District Council is undertaking public consultation on the draft Wellesbourne University Innovation Campus Framework Masterplan Supplementary Planning Document (SPD).

This document provides additional guidance on the interpretation and implementation of the Council's adopted Core Strategy Policy AS.9 and Site Specific Proposal RURAL.2 in the Council's emerging Site Allocations Plan (SAP) which look to support the site for research and development and educational purposes.
