

Public Notice for Highway Improvement Works at Station Road, Pershore linked to the Wyre Meadows Residential Development

Persimmon Homes are required to implement the necessary highway improvement works along Station Road in Pershore as part of both planning permissions for the Wyre Meadows residential developments.

We are holding a public exhibition to further help communicate the works involved. Please join us at Pershore High School in the Art Atrium from 4pm -7pm on Wednesday 27th June, where we will have display boards explaining the above in further detail and representatives will be available to answer any questions or concerns that you may have.

If you unable to attend the exhibition the following website <https://sites.google.com/view/pershorewyremeadows> has been created to explain the highway works involved, timings of the road closures and the diversions that will be put in place.

We appreciate that these works will cause some degree of disruption and we greatly appreciate your patience during this time.
