

Notice of the making of Direction under Article 4(1) of the Town and Country Planning (General Permitted Development) Order 2015 (as amended) ("the Order") removing permitted development rights

WORCESTER CITY COUNCIL GIVES YOU NOTICE that the Council have made a Direction under article 4(1) of the Order.

The Direction was made on 22nd May 2020 in respect of the land described in the First Schedule to this Notice ("the Land").

The Direction relates to development of the type specified in the Second Schedule to this Notice within the area described in the Third Schedule to this Notice.

The effect of the Direction is that permission granted by article 3 of the Order shall not apply to development of the type specified in the Second Schedule to this Notice and that such development shall not be carried out on the Land unless planning permission is granted by the Council on an application made to them.

A copy of the Direction and of the map defining the area covered by it may be seen at the offices of the Council's Development Management Department, Museum and Art Gallery, Foregate Street, Worcester WR1 1DT during normal office hours (call 07562 437815) or can be viewed on the Council's website at www.worcester.gov.uk/article4.

Any written representations in respect of the Direction should be made to Rebecca Barnett, Conservation Officer, The Guildhall, High Street, Worcester, WR1 2EY or by email to Rebecca.barnett@worcester.gov.uk by no later than midnight on the 12th July 2020 being a period of at least 21 days from the date of this Notice.

The Direction shall come into force subject to consideration of any representations received and confirmation by the Council on 24th July 2020.

FIRST SCHEDULE

All that land comprised in the Park Avenue Conservation Area and shown by bold black edging on the plan annexed to the Third Schedule to this Notice.

SECOND SCHEDULE

The following development comprised within Class A of Part 1 of Schedule 2 to the said Order and not being development of any other Class:

- (a) The enlargement, improvement or other alteration to the principal elevation of a dwelling house or a side elevation of a dwelling house which fronts a public highway or private street or other publicly accessible space.

The following development comprised within Class C of Part 1 of Schedule 2 to the said Order and not being development of any other Class:

- (b) Any other alteration to the roof on the principal elevation of a dwelling house or side elevation of a dwelling house which fronts a public highway or private street or other publicly accessible space.

The following development comprised within Class D of Part 1 of Schedule 2 to the said Order and not being development of any other Class:

- (c) The erection or construction of a porch outside any external door on the principal elevation of a dwelling house or side elevation of a dwelling house which fronts a public highway or private street or other publicly accessible space.

The following development comprised within Class F of Part 1 of Schedule 2 to the said Order and not being development of any other Class:

- (d) The provision in the curtilage at the front or side of a dwelling house of a hard surface for any purpose incidental to the enjoyment of the dwelling house as such, or the replacement in whole or part of such a surface, where any part of the hard surface would front a public highway or private street or other publicly accessible space.

The following development comprised within Class G of Part 1 of Schedule 2 to the said Order and not being development of any other Class:

- (e) The installation, alteration, replacement or demolition of a chimney, flue or soil and vent pipe on a dwelling house which would be visible from a public highway or private street or other publicly accessible space.

The following development comprised within Class A of Part 2 of Schedule 2 to the said Order and not being development of any other Class:

- (f) The erection, construction, maintenance, improvement or alteration of a gate, fence, wall or other means of enclosure at the front or side of a dwelling house or flat where any part of the means of enclosure would front a public highway or private street or other publicly accessible space.

The following development comprised within Class B of Part 2 of Schedule 2 to the said Order and not being development of any other Class:

- (g) The formation, laying out and construction of a means of access to a highway which is not a trunk road or a classified road, where that access is required in connection with development permitted by any class in this Schedule (other than by Class A of this Part).

The following development comprised within Class C of Part 2 of Schedule 2 to the said Order and not being development of any other Class:

- (h) The painting of the exterior of the principal elevation of a dwelling house or flat or a side elevation of a dwelling house or flat which fronts a public highway or private street or other publicly accessible space, except where a dwelling or flat was painted as at the date of this Order.

The following development comprised within Class B of Part 31 of Schedule 2 to the said Order and not being development of any other Class:

- (i) Any building operation consisting of the demolition of a gate, fence, wall or other means of enclosure at the front or side of a dwelling house or flat where any part of the means of enclosure would front a public highway or private street or other publicly accessible space.

The following development comprised within Class A of Part 40 of Schedule 2 to the said Order and not being development of any other Class:

- (j) The installation, alteration, replacement of solar photovoltaics or solar thermal equipment on the roof of the principal elevation of a dwelling house or flat which fronts a public highway or private street or other publicly accessible space.

The following development comprised within Class B of Part 40 of Schedule 2 to the said Order and not being development of any other Class:

- (k) The installation, alteration, replacement of stand alone solar at the front or side of a dwelling house or flat where any part of the stand alone solar would be visible from a public highway or private street or other publicly accessible space.

The following development comprised within Class F of Part 40 of Schedule 2 to the said Order and not being development of any other Class:

- (l) The installation, alteration, replacement of a flue forming part of a combined heat and power system, on the principal elevation of a dwelling house or flat or a side elevation of a dwelling house or flat which fronts a public highway or private street or other publicly accessible space.

THIRD SCHEDULE
